Visiting Rotarians **Dr. Alex Buchanan Rotary club of Melbourne, Lauren Walton Make Ups**

Next Meeting Monday 16th. August 12.45 for 1 P.M.

Mt Erica Hotel – Corner High St and Williams Road, Prahran.

Dr. Alex Buchanan of Rotary Club of Melbourne & former Rotary Ambassadorial Scholar, addressed the club about his fascinating career as a scientist & food technologist. Among his accomplishments was the development of the Australian Milk Biscuit, a high protein biscuit used by governments & N.G.O's as emergency food aid & the creation of affordable nutritionally balanced infant food in Thailand. He was instrumental in the facilitating of successful food research projects between Australia & the nations of ASEAN. Dr. Buchanan's fascinating address showed how dedicated & committed people can make a difference to human problems particularly if bureaucratic interference is kept to a minimum; one sad example is that Andrew Peacock as Foreign Minister established a 100 tonne stockpile of milk biscuits able to be immediately used in case of disaster situations, today that stockpile no longer exists. When Alex queried a government spokesman about this the answer was it's much easier to send "Them " money. As Daniella Furyk noted, why isn't our government using milk biscuits to address the nutritional problems of indigenous children.

On 26 Jan. Dr. Buchanan was appointed a Member of The Order of Australia. He is also a recipient of The Rotary Foundation Global Alumni Service to Humanity Award.

TREE PLANTING

On Sunday 8th. August President Peter, Graeme & Lana , Pam & Terry and Steven & Daniella attended the annual tree planting at Broadford. Apart from the planting of 10 thousand trees & the benefit of this , to the

environment by the lowering of salinity, it was a great opportunity for
Rotary fellowship
